MILLER JOINS TIGER GROUP AS SENIOR DIRECTOR OF APPRAISALS

BOSTON (4/16/19) –[Tiger Group](#), a leading provider of asset valuation, advisory and disposition services, today announced that industry veteran Matthew Miller has joined the firm as Senior Director of Appraisals. In his new role, Miller manages the daily operations of the firm’s comprehensive consumer and industrial asset appraisal practice, directing annual valuations totaling \$30 billion.

The Boston-based Miller brings nearly 20 years of experience in the field of inventory appraisals, most recently with Gordon Brothers Group, which he joined in 2005 as a Project Manager and went on to serve as a Senior Project Manager/Group Leader, Director of Industrial Inventory, and Managing Director-Valuations.

He began his career in 1999 as an Associate with KPMG in Boston.

Miller steps into the role of Senior Director of Appraisals at Tiger as Ryan Davis, who previously held the position, becomes a Managing Director, overseeing the direction of the appraisal group while also working on capital projects.

“Matt is a tremendous addition to our already strong appraisal team,” said Davis. “His reputation for overseeing thorough, accurate valuations has earned him the respect of the asset-based lending and private equity communities.”

“I am thrilled to be a part of the Tiger Team,” stated Miller. “Tiger represents the highest standards in the asset appraisal business, both in terms of service and accuracy. I expect great things from our group.”

Miller has held the American Society of Appraisers’ Accredited Senior Appraiser – Machinery & Technical Specialties accreditation since 2012. He was also selected as a “Top 40 Under 40” by the Commercial Finance Association in 2016.

A resident of Hanover, Mass., Miller graduated from Bentley University, Waltham, Mass., in 1999 with a BS degree in Accounting.
